1. Amend Section 3351.3 of Article 6 of Chapter 1 of Division 33 of Title 16 of the California Code of Regulations, to read as follows:

**§ 3351.3. Display.**

(a) Except as provided in subsection (b), All automotive repair dealers shall display the  
following in a place and manner conspicuous to their customers:

(a1) A current and valid certificate of registration as an automotive repair dealer issued by  
the bureau; and

(b2) An official automotive repair dealer's sign, which meets the specifications of the  
Automotive Repair Act ~~and these regulations~~ Section 3351.4 of this article. In the event there  
are multiple facilities, an official automotive repair dealer's sign shall be displayed in a place and  
in a manner conspicuous to all customers at each location.

(b) When conducting business from other than the principal business address shown in an  
automotive repair dealer's registration, the dealer shall provide to every customer, with the  
customer's copy of the work order as provided in paragraph (3) of subdivision (a) of Section  
9884.7 of the Business and Professions Code, a copy of an official automotive repair dealer's  
sign that meets the following specifications:

(1) A copy of the sign shall be reproduced on a white sheet of paper, or similar material, no  
less than eight and one half inches by eleven inches (8½" x 11") in size.

(2) The sign shall be proportionately reduced in size to fill the page in portrait format with no

more than one inch (1”) margins outside the right, left and bottom inset border lines.

(3) The current business name, address of record, business telephone number and registration number of the automotive repair dealer, as shown by the bureau’s records, shall be printed above the top inset border line of the sign in print no smaller than the smallest print of the reduced sign.

(4) No other information, printing, decoration, border or design shall be placed on the page.

(c) For the purpose of subsection (b), the term “provide” shall mean to give for retention.
